Cosette Browning Retirement

This Friday at 1.00pm we will formally farewell Cosette. She has been a wonderful member of our school staff, community and P&C for many years. We wish Cosette all the best in her well-earned retirement and look forward to seeing her around the school and community (and hopefully back on staff working in a casual capacity).

Chris Hauritz – P&C Farewell Dinner

Don't forget that P&C will be having dinner at the Billi Hotel this Thursday 30th November from 7.00pm. All are welcome. Please let Tom Alletson or the office know if you will be attending.

Thank You Morning Tea

Today we say thank you to all of those wonderful volunteers who donate their time to help make our school great. You are invaluable and we thank you for your dedication and time during 2017; it is this partnership between the school, home and community that enriches our children's experience.

Classes for 2018

We are currently looking at classes and teaching allocations for 2018. The number of classes formed depends upon the exact number of enrolments. Please inform the office as soon as possible if your child will not be attending Ocean Shores PS next year. Similarly, if you are aware of any families considering enrolment at Ocean Shores PS, please encourage them to contact the school office. Note: enrolments are subject to an address within our school zone, please check on the Department's school locator for more information: <https://education.nsw.gov.au/school-finder/index>

Ethics Coordinator needed for 2018

A new ethics coordinator is still needed for next year in order for our ethics classes to continue. This important and rewarding role requires an hour a week of your time. The role involves: liaising with Miss Sonia, organising and coordinating ethics teachers and communicating with the primary Ethics Regional Manager. This role does not expect you to teach classes, it is purely administrative. However, you may choose to do both. This is a great opportunity for personal and professional growth, connecting with the school community and contributing to ethics education. For more information contact the substantive coordinator, Teja on 0403267142.

Canteen

Thank you to all the amazing helpers last Friday. We are always looking for more lovely helpers so please contact Nadine on 0432418130 or go to the front reception at School and let the wonderful staff know. A big thanks to Sasha, Taylor, Barbara, Ingrid, Nadine and Narissa. What a powerhouse team!!! Only a few weeks left. Give your children extra money to buy some healthy and delicious treats so we can raise more funds for your children's school.

Music for Kids
Joanne Sloane

musicforkids.oz@gmail.com

We have a music program running at the school where Joanne Sloane who runs Music For Kids comes each Tuesday to teach children piano/keyboard and African Drumming. The drumming groups are all rhythm based and a great way for the children to learn to play as a team and learn timing and polyrhythms. The piano/keyboard lessons have a more thorough learning of music where the children learn to read music and are encouraged to create their own songs and to play by ear.

The program has been running for the past 12 years and the students are supported to perform at the arts extravaganza and talent quest and various other opportunities at the school throughout the year.

If you are interested in your child learning either/or both of these instruments during school time please contact

FROM HEROES INTO MEN

A Boy to Manhood Program for the Community

"The privilege of a lifetime is to look for the hero in your life and find it's the person you see in the mirror."

The archetypal Hero Journey is the one to become our true and authentic self, and when we support children who want to grow up to be heroes, we are making a powerful effort towards ensuring their future mental health.

Parents and community members who want to learn a program to provide their sons with boy to manhood guidance are invited to this free information session on **Thursday, the 7th December, 5:30pm – 7pm** at **Brunswick Heads Library**, to be presented by Sahaj Blatt, the Coordinator of the program, and RTRL.

This program is easy to implement, empowers parents, and captivates boys' imagination. It starts when boys are 8 years old and continues incrementally at specific developmental markers all the way through high school. Story-based and story-driven, the program has long-term vision, and will act as a guiding light for boys as they grow from heroes into manhood.

For more information, contact Sahaj at teeya@fromheroesintomen.com or RSVP on 6685 1816.

All little boys want to be heroes.
This program helps them to not forget to.
Because heroes grow into good men.

Passport to school holiday fun!

Bookings are now open for our summer Holiday Club program – ‘**Passport to Summer**’.

Join in the summertime fun these school holidays; **incursion days include:**

Bags and Pencil Cases With A Splash Of Colour

We're getting ready for the new school year with a splash of colour. Using vibrant colours, we'll get creative by tie-dying calico bags and pencil cases. It'll be to dye for!

At the end of the day you'll be able to take home your new bag and pencil case to use at home or school.

Make An Erupting Volcano

We'll be building our very own volcanoes and making them erupt. At the end of the day you'll be able to take your volcano home so you can make it erupt again and again - in true volcanic fashion!
