## OPERATION DOLPHIN:

I am Respectful. I use and share equipment appropriately.

## IMPORTANT!

### Welcome to Kindergarten

On Friday we welcomed our Kindergarten students and their families to OSPS. Our latest arrivals have made an exceptional start to school. I would like to acknowledge the support provided by our Year 6 buddies!

### Class Placements

We have had a positive and productive start to the 2018 school year with students working with a range of teachers in their stage. Teachers have had the opportunity to plan and assess and get to know the children across their stages. I realise there has been some uncertainty and angst as we finalise numbers and allocate classes. However, the number of classes and their composition are dependent upon enrolments.

Classes will be as follows: KL (Amelia Lee), KA (Amy Barrett and Abelia Hissink Friday), K/1G (Justine Griffin), 1/2D (Elise Daley), 1/2J (Donna Jordan), 1/2L (Melinda Lengyel), 2M (Christine Melkie), 3/4S (Sonia Woods), 3/4G (Wayne Gibbons), 4T (Merryl Toop), 5/6P (Petria Essery), 5/6N (Adam Nicholls), 5/6E (Erin Ensor), K/6M (Paula Farrell), K6G (Libby Gill) and K/6Y (Lee Yabsley).

### Swimming Carnival 2018

Congratulations to all those students who participated in our school Swimming Carnival today. Special thanks to our organisers – Miss Daley, Mrs Ensor and Mr Gibbons – and all the staff and volunteers who made it such a great day.

### Equipment List 2018

This list outlines materials such as pencils, pens etc. for the new school year. The 2018 Equipment List for each stage is available on our school website.

### Calendar

Please take note of the significant events which are on the attached calendar and be sure to keep an eye on the weekly newsletter for upcoming events.

### Newsletter

As of Week 4 the newsletter will be distributed on a Friday afternoon. Any advertisements and articles must be received by Thursday evening.

## WHAT'S BEEN HAPPENING:

### World Wetlands Day

This week Stage 2 students have been recognising International Wetlands Day (February 2nd) by planting a range of native species in our school wetland. Each student will plant a seedling and look after it for the year. Thanks to Sigge for the help and well done Stage 2 students. Together we can make positive change, one step at a time.

## SCHOOL SWIMMING CARNIVAL:

*Thanks to our parents and volunteers who made the carnival so successful!*

### Message from P&C

Hi Everyone, I hope you've had smooth transition getting the kids back to school and are getting your routines back on track for another year.

Our first P&C meeting for 2018 is next **Monday night, 12 February**, 7:00pm in the school staff room. Baby-sitting can be arranged with notice, so let me know if you need this.

Meeting number 1 will be pretty informal. It would be great to get some new faces around the table, so if you have friends who are just starting at school, or have always been meaning to, and not quite getting to a P&C meeting, give them a nudge.

Regards

Tom Alletson (President)

### Canteen

Canteen is open this Friday with a delicious summer menu. We have salads, wraps, burgers, pies, sausage rolls, chocolate frozen bananas, banana smoothies, fresh cakes and Anzac biscuits plus more. Please support the school by spending money at the canteen. All money goes straight back to your kids' education. Canteen has historically only been open one day a week, if we can get more volunteers we could open another day a week. This year we are inviting parents to volunteer one Friday per Term or one Friday per year. Please contact Nadine on 0432418130 to let her know which Friday you can help. It's particularly busy organising the canteen orders between 8.30 and 9.30 Friday mornings so even if you can't spare half a shift perhaps you can spare an hour. Without volunteers the canteen will not operate. Thank you.
