Maths Olympiad

We are waiting to hear the official results from the Maths Olympiad, but I would like to congratulate all the students who took advantage of the opportunity to work with Mrs Melkie (often in their break times!) to enjoy extending themselves in the area of mathematics.

I know that one of our students achieved a perfect result over the five weeks of competition with a score of 25 out of 25. I also know that the whole school total was 220 out of a possible 250 which is exceptional.

Thank you to Christine Melkie for fostering the mathematical passion of our students!

Disco/Parent Forum – Thursday 20th October

There will be a disco/parent forum here at the school Thursday 20th October between 5.00pm and 6.30pm. Unlike previous discos, this will be a combined **Kindergarten to Year 6 event**.

While students are enjoying the disco under staff supervision in the hall, parents/carers are welcome to join the P&C parent forum in the library.

Discussion will be around the Language, Learning and Literacy (L3) program and how reading is taught in primary schools today. We look forward to seeing you there. Thanks to Zewlan Moor for organising the forum and staff for volunteering for supervision.

Please note that once the disco commences, children are to stay in the school hall and canteen area under the direction of staff. Parents/

carers are not to stay in the hall for the duration of the disco. Parents/carers are asked to ensure they collect their children promptly at 6.30pm.

Tell Them From Me Survey

Please take a few moments to complete the Tell Them From Me parent survey via the link in today's newsletter. This information is essential as we strive for continuous improvement at OSPS. Thanks to Gemma Rawson for coordinating.

Flo-Gardens Fundraiser – Saturday 22nd September

Don't forget the Flo-Gardens fundraiser is on Saturday 22nd September to raise money to establish aquaponics here at OSPS. See details in today's newsletter.

Sculpture!

Special thanks to Lee Easson, Bonnie Aungle, my beautiful daughter Shivani, Damian and the students for supporting me to complete this project. Many thanks also to all the local cafes, shops and friends who collected thousands of plastic lids to make this recycled artwork for Ocean Shores Public School.

This collaborative masterpiece will be on display at Brunswick Sculpture Festival in the coming school holidays... After the Festival, it will be on permanent display at Ocean Shores Public School.

Tell Them From Me (TTFM) survey is now open!

The TTFM survey is an opportunity for parents, students and teachers to give feedback to the school about school and student performance, engagement and success.

Our goal is to collect reliable data to help improve the school. Information collected will be used to measure growth and achievement as well as to inform future planning.

Findings will be shared with the school's self evaluation team and be used in the annual report.

Participation in the survey is voluntary and confidential. Students in Years 4 to 6 will have the opportunity to complete the survey at school in the technology lab.

Parents can complete the Partners in Learning Parent Survey by following this link <https://nsw.tellthemfromme.com/rnf6r>

The survey will be open until Friday 28 September. If you would like assistance accessing the survey, you are welcome to call and make a time to use the school technology lab outside of school hours using your child's Department of Education log in details to access the network.

We appreciate your support in taking the time to complete this survey to provide our school with valuable information.

Please contact me if you require further information

P&C Education Sub-Committee L3 Forum

We are so excited to have our own Mrs McGivern, local trainer in the L3 program, come to talk to us about literacy.

If you're saying, "What the heck is L3?", then this is the session for you!

A lot has changed since we learnt to read with Pam, Sam & Digger books.

The research is changing all the time, but we're all in agreement that literacy is important for our kids to get ahead and be the movers and shakers of the future.

In an effort to draw the crowds, the P&C is kindly providing refreshments and appetizers.

All interested parents and community members are welcome, including parents from other schools and pre-schools, grandparents and future school parents. So spread the word!

We will be meeting in the school library from 5.10pm and 6.30pm Thursday 20 September (during the school disco).

Shared Concern Method

The key to stopping bullying is getting those involved to talk about what is happening and decide how to overcome the problem.

The Friendly Schools Plus Program recommends that schools use the Shared Concern method to encourage children to talk about bullying incidents. Families can also use this strategy at home.

Shared Concern method aims to change the behaviour of students who are bullying and to improve the situation for the student being bullied. This method helps students develop empathy and concern for others and gives them strategies to help them get along better with others in the school and at home.

How does the method work?

- Individual meetings are held with each of the students involved in the bullying incident: the student or students bullying, the person being

bullied and any bystanders who may have seen what was happening.

- Each student is asked about the bullying behaviour and to suggest ways he or she personally could help to improve the situation for the person being victimised.
- The student being bullied is also given the opportunity to discuss what happened and encouraged to think of ways to improve the situation.
- There are follow-up meetings, discussions and planning that give students the opportunity to change and to put these new behaviours into practise in a supportive environment.

WE NEED CANTEEN VOLUNTEERS URGENTLY!

If you can spare a Friday a week, a fortnight, a month or even a term we need you!
Please contact Nadine on 0432 418 130 and arrange to help out in the school canteen.

Term 3 Disco

The theme for the term 3 disco is PJ's and onesies!!!! It will be held on Thursday 20th of September in the school hall from 5:30 – 6:30pm.

There will be delicious snacks provided (chips and poppers). This will be a whole school disco (K – 6). The cost to enter this awesome upbeat disco will only be \$5.00 per child, how cheap!

The disco is a loud disco with funky music blasting through our speakers. We guarantee that your child will have a great time and we look forward to seeing you there.

NSW State Spelling Competition

On Friday the 7th of September, Jamie Garrett and I travelled to Banora for the Regional Finals of the State Spelling Competition.

We were really nervous but excited at the same time. I had been doing lots of practice with my dad. But there were so many words and its very nerve-racking having to say it on a microphone in front of lots of people you don't know.

I felt really sorry for Jamie as she had to spell the very first word! She sounded confident, but we were all shaking!

There were thirty five kids and we got through the rounds and suddenly there was just me and three others.

I was so shocked I had made it that far and waited nervously for my word. The word was paparazzi. I wasn't really sure, but it really sounded like it had a T in it. I spelt it 'papatatzi'.

I was a bit disappointed, especially when the next person got the word abominable which I knew how to spell, but that's just the luck of the draw in this competition.

It was a fun experience and I'm glad I did it.

Ocean Shores Junior Choir - Expressions of Interest

We would like to give K-2 students the opportunity to perform in a junior choir. The purpose of the choir is to sing in a group and have some fun. We will rehearse on Fridays from 8:45 in the KA classroom and perform on Grandparents Day, for the Count Us In and end of year assemblies.

If your child is interested in joining our choir please come to the KA classroom next Friday 21 at 8:45. If you have any questions, please don't hesitate to contact me.

How teens use social media in 2018 vs 2012

Concerned that teens are constantly on social media? There's so much more to the story.

Social Media, Social Life: Teens Reveal Their Experiences explores teens' social media use in the age of 24/7 connectivity.

Teens share their views on everything from their most-used sites of 2018 to their awareness of digital manipulation and misinformation in this timely follow-up to our landmark 2012 report.

Read the report to at <https://www.common sense media.org/research/social-media-social-life-2018> and see how teens' social

media habits have changed almost as fast as the technology itself.

Educators can draw important insights about the intersection of students' social media use and the role of social media in issues like device distraction, misinformation, and bullying. It's clear from this research that digital citizenship skills and social-emotional learning have never been more critical or relevant to students' lives.

Mindfulness Reminder

How do you know if someone really cares about you? Are they checking their phone or on Facebook when you're talking to them?

Or are they giving you their undivided attention? What's it like to spend time with a good friend? How's it feel?

Mindfulness is like learning to be our own best friend.

This week the lucky class of Miss Sonia learnt all about Mindful eating (personally my favourite, especially with chocolate!!)

The kids learnt what it took to get that piece of food to their plate, the growers, pickers, farmers, drivers, shop assistance, parents, teachers, the sun, wind, rain. Then they got to spend time to appreciate what it looked like, every part of it, all the lumps and bumps. Then they got to feel and touch it, then smell it and then finally taste it. I tell you we had some very happy students and so very grateful to finally eat the anzac biscuit!

Try this at home at dinner time- make this often rushed activity a little more mindful.

For more information on Mindfulness please contact Barbara Underwood : barb@ohrs.com.au or 0403661416

Contact me if you'd like to be put on my emailing list for upcoming courses.

In the mean time download: Insight Timer Free App and look up kids meditation and start doing it together. Or look up YOU tube videos.
