Aboriginal Education 'Yarn-up'

Thankyou to the staff and our Aboriginal families who attended Monday evening's 'yarn up' in our yarning circle. We had lots of very positive and open conversation about ways to enhance our Aboriginal programs and experiences for both our Indigenous and non-Indigenous students.

It is invigorating to be working in schools in a time in Australia's development when we are recognising and celebrating the rich history of our first people, and engendering a real sense of pride in our Aboriginal students.

I thank Sonia Woods, Belinda O'Donnell and Hope Woods for the outstanding work they are doing on the Aboriginal Education Team.

Maths Olympiad

Mrs Melkie and some of our talented mathematicians have commenced the Maths Olympiad this week. Well done to all the students who nominated for Maths Olympiad. Unfortunately there are limited spaces so some of our enthusiastic students from Years 4-6 will have missed out. This year's participants are: Finn M, Skye W, Clancy H, Grace F, Jamie G, Laila D, Juliette A, Kane W, Dylan L, Oscar W, Indira A-F, Marcus C, Priya W, Ryder S, Teig B, Sunny W, Avie, Stella and Meila. I am confident they will thrive on the weekly Maths Olympiad challenges.

School Photos - Monday

Please remember school photos will be taken on Monday. Children will need to have correct money in envelopes or make payments via The School Photographer website. The school office staff will not be handling money and we will be unable to provide change. Be sure to send

children in school uniform. All children will be photographed, and there will be the opportunity to put in orders after the school photo day.

Notification of School Absences

SMS and email notifications for school absences will be sent to parents/carers when children are not in attendance at school. Please be sure to contact your child's teacher or the office to explain absences.

Ocean Shores 50th Anniversary

This weekend Ocean Shores is celebrating 50 years. Thanks to Miss Sonia and our families, the school choir will be performing at Saturday evening's dinner at the Country Club.

Beachathon/Colour Run

Several thousand dollars have already been raised for the Beachathon/Colour Run. If you have not started, be sure to register your child to raise money for the school. Fundraising will continue through the holidays. The class which raises the most money (pro-rata) will enjoy a Pizza Party next term. Most importantly, funds raised will go towards the Adventure Playspace.

Playground Update

Rob and Sigge have the P&C supplied soccer goals ready to be installed next week much to the delight of students. Rob has also sourced

cleanfill from nearby building sites and we are hoping the new 'mound' will be installed and settling for the start of next term. Students will be invited to start planning.

focus groups with randomly selected students from Stage One, Two and Three. This is to provide baseline data for our visible learning journey and to identify where we will be going next.

Visible Learning Update

Our Visible Learning Team has been visiting classrooms to collect data on student talk, teacher talk and feedback. Mrs Timms will also be conducting

MINDFUL UPDATE

**This week my girls
worked on their
Big Life Board
Challenge.**

BIG LIFE-GROWTH MINDSET IS AN AMAZING ONLINE TOOL WHICH LOOKS AT MINDFULNESS AND THE BRAIN

The kids needed to cut out pictures and words which best describes who they are. Whilst we did this exercise as a family we were able to do it mindfully. There was great concentration when cutting, lots of discussion about who we are, growth mindset is all about programming our brains with helpful thoughts. What a special treat. The poster goes up in their bedrooms as a reminder.
